

Indiana Parkinson Foundation
Choose to Move 2025
Sponsor Letter

Dear Community Partner,

We are excited to invite you to join the Indiana Parkinson Foundation and the Parkinson's community at our 13th Annual Choose to Move Race to Beat Parkinson's on Saturday, April 26, 2025. This event raises critical funds and awareness to help us reach and improve the lives of people with Parkinson's disease and their families.

Parkinson's affects nearly 1 million Americans, with 90,000 new diagnoses each year. While it is a chronic and progressive condition, research shows that exercise, therapy, medication, and surgical procedures can significantly improve quality and duration of life.

For over 15 years, the Indiana Parkinson Foundation has provided essential programs and resources to support individuals with Parkinson's and their families. Through education, exercise and support, we empower the Parkinson's community to thrive physically, mentally, and spiritually.

Our Annual Choose to Move Race is a cornerstone event for raising awareness and supporting our mission. Enclosed you will find details about sponsorship opportunities. Your support enables us to continue providing hope and valuable resources to those facing Parkinson's.

Thank you for considering this opportunity to make a meaningful impact.

Sincerely,

Kim Williams

Executive Director, Indiana Parkinson Foundation

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
