Pickleball 4 Parkinson's

Dear Community Partners,

We invite you to stand alongside the Indiana Parkinson Foundation as a proud sponsor of our 4th Annual Pickleball 4 Parkinson's, a high-energy, community-driven event taking place **January 23, 2027** at The Picklr in Noblesville.

This is more than a tournament; it is a movement.

Together, we are raising critical funds and awareness to support individuals living with Parkinson's and the families who walk this journey beside them. Each year, nearly 90,000 people in the U.S. are diagnosed with Parkinson's disease. While there is currently no cure, there is hope—and your support can make a meaningful difference.

For individuals living with Parkinson's movement is medicine. That is why we are bringing our community together through pickleball, one of the fastest-growing sports in the country—to inspire action, connection, and support.
